The screenshot shows the Windows Control Panel window titled "All Control Panel Items". The "Configuration Manager Properties" dialog box is open, displaying a list of actions under the "Actions" tab. The "Run Now" button at the bottom of the dialog is circled in red. A smaller "Discovery Data Collection Cycle" dialog box is overlaid on top, with its "Run Now" button also circled in red. The background shows various system settings icons like "Administrative Tools", "Device Manager", "Keyboard", and "Power Options".
